KEY FEATURES

- HEAVY-DUTY INDUSTRIAL MULTIMETER
- WIDE-RANGE MINI IR THERMOMETER
- BEAD WIRE TYPE K TEMPERATURE PROBE
- MINI DC AMP-CLAMP METER
- GENERAL PURPOSE TEST LEADS
- CONVENIENT CARRYING CASE AND BATTERIES

This kit comes with an industrial multimeter that measures:

AC/DC Voltage.....	(1000 V)
Current.....	(10 A)
Resistance.....	(40 MΩ)
Capacitance.....	(100 μF)
Frequency.....	(10 MHz)
Type K Temperature.....	(-4 to 1382 °F/-20 to 750 °C)

DIMENSIONS H 4 ¼" X L 15" X W 11 ¼" | SHIP WEIGHT 2.37 LBS
