

AVOID LIFTGATE BATTERY ISSUES

The DIRECT Will Increase Liftgate Battery Charge Time

Purkeys' DIRECT™ Liftgate Charging System

Purkeys' DIRECT™ is a single-source liftgate charging system that improves the charging of liftgate batteries. The charging system controls and extends charge time by using our patented technology and a DC/DC converter. Sources include:

- Stinger Cord (Dual Pole and/or Single Pole)
- 7-Way Aux Pin

KEY FEATURES

- INCREASES BATTERY STATE OF CHARGE AND BATTERY LIFE
- MEETS ALL LIFTGATE CHARGING REQUIREMENTS
- INCLUDES EASY-TO-READ LED INDICATOR LIGHTS
