

CHARGE LIFTGATE BATTERIES FROM THE BEST AVAILABLE SOURCE

Maximize Charge Time with Multiple Sources

Purkeys' **SELECT™** Liftgate Charging System

Purkeys' SELECT™ is a multiple source liftgate charging system that improves the charging of liftgate batteries. The best source is selected to maximize charge time utilizing our patented technology and a DC/DC converter. Sources include:

- Stinger Cord (Dual Pole and/or Single Pole)
- Reefer Electrical System
- 7-Way Aux Pin

KEY FEATURES

- INCREASES BATTERY STATE OF CHARGE AND BATTERY LIFE
- CHOOSES THE BEST AVAILABLE CHARGE SOURCE
- MEETS ALL LIFTGATE CHARGING REQUIREMENTS
- INCLUDES EASY-TO-READ LED INDICATOR LIGHTS

To place an order, or for more information, call 1-800-219-1269

DRAW POWER FROM THE BEST AVAILABLE SOURCE – EFFICIENTLY
